ABOUT THE MEETING OF BARCELONA

It is an outdoor athletics competition that will count on the participation of elite athletes from all over the globe.

In order to organize this worldwide event, World Athletics demands that the event has: good stadium capacity, certification of the track, elite athlete participation, good result management and hotel capacity for participants and organizers.

WORLD ATHLETICS CONTINENTAL TOUR - BRONZE

This event is part of the World Athletics Continental Tour 2024 as a Bronze Category.

These categories have been established by the World Athletics, meaning that all of the results will be eligible for World Rankings.

AN ONLINE EXPERIENCE

On behalf of the Catalan Athletics Federation, we intend to reach as many people as possible. In honor of the Barcelona International Meeting, we will provide live information across all our online platforms, in order to ensure that all events and results can be followed all over the world.

We will also be counting on the assistance of major national and international broadcasters.

RESOURCES WE CAN PROVIDE

Next to the track we will have an interview space to use if previously arranged and with consent of the athlete, that media will be able to access.

INTERVIEWS

For more specific requests, please contact us. Specify the request and when you need it.

If you can not attend the event, the Federació Catalana d'Atletisme can offer some content.

If you need more detailed information, such as: history of the event, results... contact us.

SOME CONSIDERATIONS

- **According to the current international laws, the number of people on track is limited on the day of the meeting.**
- **Only one person for each media channel will be granted access to the track, as long as they've been accepted by the FCA.**
- **Athletes, by contract, are not obliged to attend journalists against their will. We will help establish contact with them if needed.**
- **The application for the accreditation of photographers and media will have to be done through email before the 16th of May. It will be mandatory to present the correct documentation according to whom may be presenting the application (individual or media)**
